RE: 14th Annual March Arts Awareness Month

I am writing on behalf of the Genesee-Orleans Regional Arts Council (GO ART!) to ask you and your school system to join us again this year to promote arts and cultural awareness in Genesee and Orleans Counties during our 14th annual **March Arts Awareness Month**.

Your support and participation for the past 13 years has made this a very successful and impactful effort. In March, GO ART! again plans to highlight and promote all cultural events taking place throughout our two county service area. From paintings to poetry, music to museums, drama to dance, it is our mission to help raise community awareness of the scope and diversity of the arts and cultural assets right here in Genesee and Orleans Counties.

To accomplish this, we respectfully request that you **complete the attached form** by listing all arts and cultural events happening in your school district during the month of March. Please return the form to GO ART! **by February 3, 2012**. We would like to request that **Principals** copy this form and distribute it to all appropriate faculty in each of the schools so that they may also indicate the events that they are presenting during March. Again, we ask that these forms **be returned by February 3, 2012**.

Arts Awareness Month is an annual means by which our residents, representatives and community groups become more aware of, and take time to enjoy, the benefits offered by our local schools, cultural organizations and artists. Please don't hesitate to contact GO ART! at 585-343-9313 or info@GOart.org with any questions you may have, and thank you in advance for your assistance and support.

Happy New Year!
